

Accordion Elephant Craft

Materials

- Construction paper
- Glue or glue stick
- Scissors
- Crayons or markers

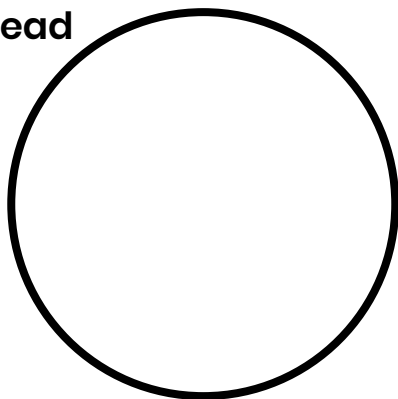

Instructions

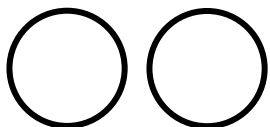

1. Cut out template or use template as a base to draw your own. Decorate the pieces as desired.
2. Glue the ears and eyes onto the head piece.
3. Fold small strip (1in) back and forth in a zigzag pattern. Glue on end the face piece.
4. Fold accordion middle piece (see above). Fold piece A horizontally and piece B vertically.
5. Glue the accordion piece to the upper center of body pieces. Fold the ends of legs to form feet.
