

Paper Weaving Fish Craft

Materials:

- 2 pieces of colored paper
- Scissors
- Crayons or markers
- Glue

Instructions

1. Print out the fish template below or draw your own fish
2. Color in your fish and cut out
3. Cut along the dashed lines
4. Cut out strips of colored paper
5. Weave the colored paper strips in between the cuts, alternate between starting above and below
6. Glue the ends to the fish, trim if desired
