

Owl Handprint Craft

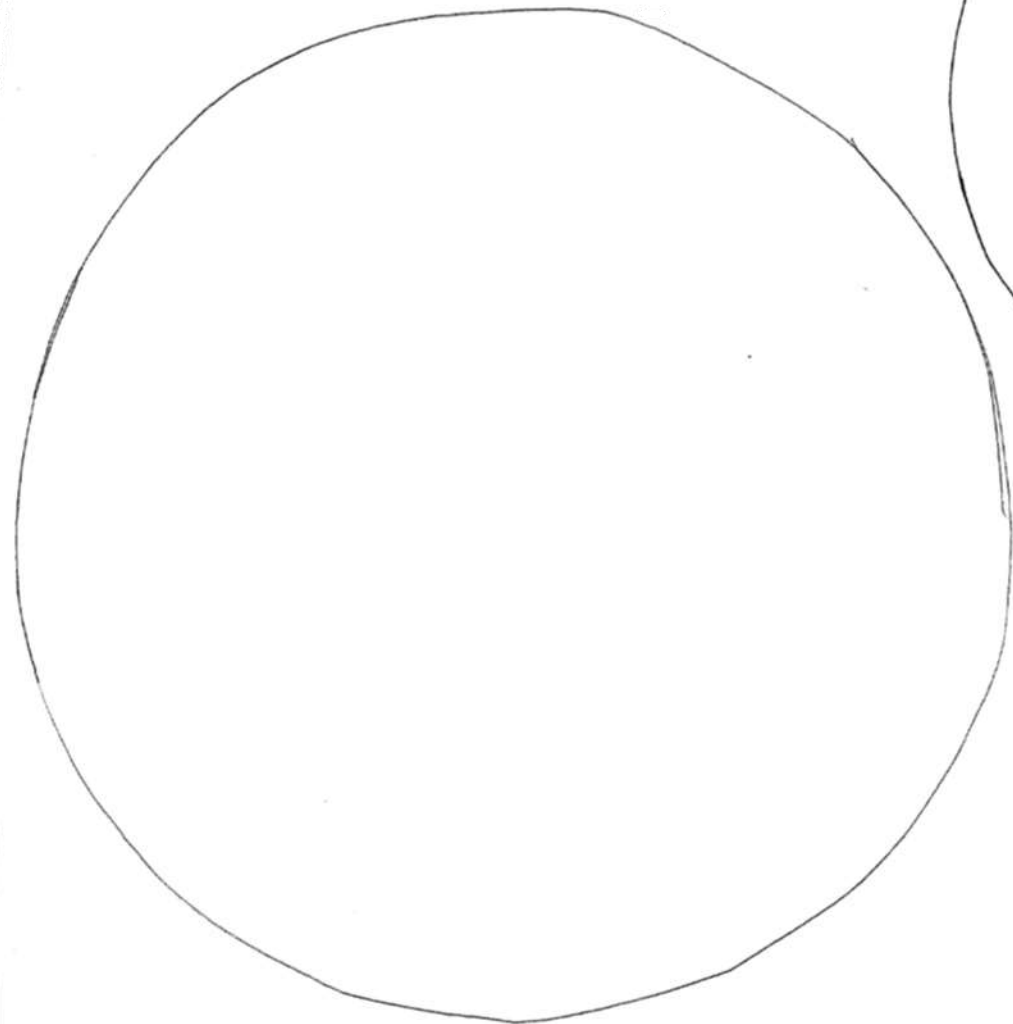

Materials

- Construction paper
- Outline (see below)
- Pencil
- Crayons/markers
- Scissors
- Glue/tape

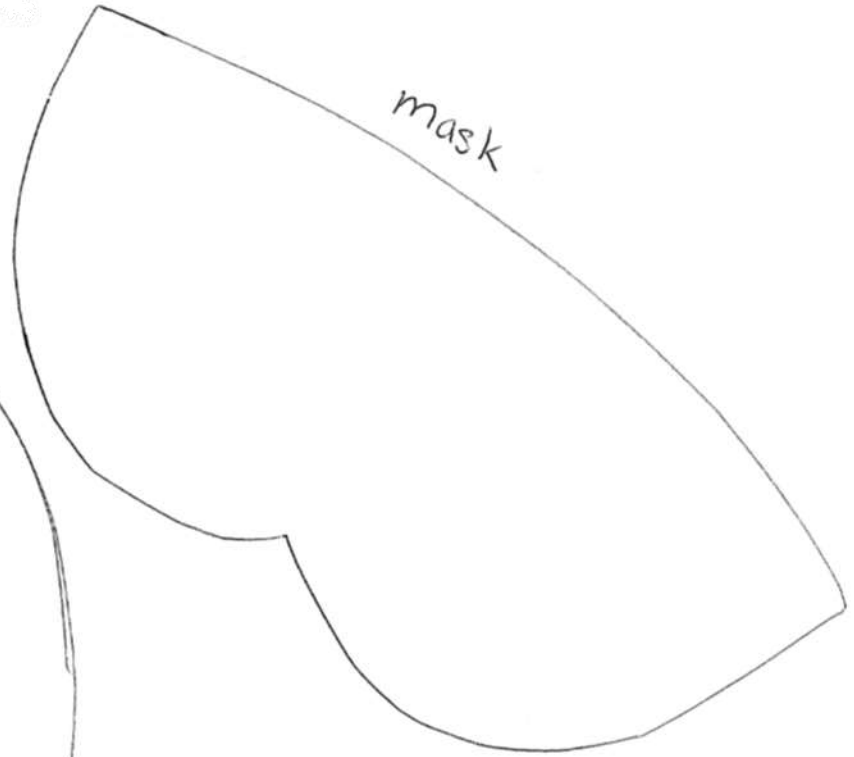

Instructions

1. Cut out pieces from outline and color in feet and beak.
2. Trace hands on construction paper with spread fingers then cut out.
3. Glue or tape handprint to the back of the body piece.
4. Glue on mask piece, let dry, and draw eyes.
5. Glue on beak and feet pieces.
6. Draw wave-like "U" shapes on body piece for feathers.
